English

Class 4

Solved Exercises — Sindh Textbook Board

6 units — 240 questions

Book Structure — At a Glance

Unit 1: Health and Cleanliness

Unit 2: Safety

Unit 3: Children of Pakistan

Unit 4: Land Reforms

Unit 5: Taking Care of the Family

Extra Reading

Unit 1: Health and Cleanliness

1.1 Oral Communication — Dialogue: Boiling an Egg (practice the dialogue orally)

Question: Practise the dialogue "Boiling an Egg" with your partner. What does Raza tell Zahid to do?

Answer: Raza tells Zahid to take a small pot from the cupboard, fill it with water, put the egg in the water carefully, and put the pot on the stove. The egg will be ready in about 10 minutes. Practising this dialogue helps us learn how to lead and follow instructions in English.

1.2 Reading (Sara Falls Sick) — Exercise 1: Who said these words? Write their name.

Question: 1. "What happened?" 2. "I am not feeling well." 3. "The doctor said you must wash your hands before eating." 4. "That's right." 5. "You are my best friend." Who said each of these?

Answer: 1. Sana said, "What happened?" 2. Sara said, "I am not feeling well." 3. Sara's mother said, "The doctor said you must wash your hands before eating." 4. Sara's mother said, "That's right." 5. Sara said, "You are my best friend." These answers come from reading the dialogue in the text carefully.

1.2 Reading — Exercise 2: When must we do these things?

Question: We must brush our teeth _____. We must wash our hands _____. We must clip our nails _____.

Answer: We must brush our teeth every day, in the morning and before going to bed. We must wash our hands before eating. We must clip our

nails once a week. These good habits keep germs away and keep us healthy.

1.2 Reading — Exercise 3: Put a tick for correct sentences and a cross for the wrong ones.

Question: 1. Sana had fever. 2. Mother's stomach was upset. 3. Sana and Sara were best friends. 4. Sana was a good girl. 5. Both the girls played together in the morning. 6. Germs make us fall sick. 7. We must clip our nails every day. 8. We must brush our teeth only at night. 9. Washing our hands before we eat is a healthy habit. 10. We take medicines when we have fever or stomach ache.

Answer: 1. Cross — Sara had fever, not Sana. 2. Cross — Sara's stomach was upset, not her mother's. 3. Tick — Sana and Sara were best friends. 4. Tick — Mother called Sana a good girl. 5. Cross — they played together in the evening. 6. Tick — germs make us fall sick. 7. Cross — we clip our nails once a week. 8. Cross — we brush our teeth in the morning and before going to bed. 9. Tick — washing hands before eating is a healthy habit. 10. Tick — we take medicines for fever or stomach ache.

1.2 Reading — Exercise 4: Complete the paragraph with words from the text.

Question: Sana and Sara are _____. They play together in the _____. One day Sara fell _____. _____ went to see her. Sara had _____. Sana _____ to her. She asked her, "_____, Sara?" Sana told her friend that she had high _____ and stomach _____. Mother gave Sara medicine and told her that the doctor had said that she must _____ her hands before _____.

Answer: Sana and Sara are friends. They play together in the evening. One day Sara fell sick. Sana went to see her. Sara had fever. Sana talked to her. She asked her, "How are you, Sara?" Sana told her friend that she had

high fever and stomach upset. Mother gave Sara medicine and told her that the doctor had said that she must wash her hands before eating.

1.2 Reading — Exercise 5: Answer the following questions.

Question: 1. Do you wash your hands before taking meals?

Answer: Yes, I wash my hands before taking meals. Washing hands before eating is a healthy habit because it stops germs from going into our stomach with the food.

Question: 2. What do you think will happen if you do not brush your teeth?

Answer: If we do not brush our teeth, germs will stay on our teeth and in our mouth, and we may get toothache and fall sick. Brushing twice a day, in the morning and before going to bed, keeps our teeth clean and strong.

Question: 3. How do germs get into our stomach?

Answer: Germs get into our stomach with our food when our hands, nails and teeth are not clean. That is why we must wash our hands before eating, brush our teeth twice a day and clip our nails once a week.

1.3 Writing — Exercise 1: Match the words with the correct picture.

Question: Match: 1. peel an orange 2. cut the apples 3. add the grapes 4. peel and cut a mango.

Answer: 1. peel an orange — the picture of taking the skin off an orange. 2. cut the apples — the picture of cutting apples into pieces. 3. add the grapes — the picture of putting grapes into the bowl. 4. peel and cut a mango — the picture of peeling a mango and cutting it into pieces. Matching words with pictures helps us learn the steps of making a fruit salad.

1.3 Writing — Exercise 2: Write down the steps for making a fruit salad.

Question: Step-1: First, take a bowl. Step-2: Next, _____ Step-3: Then, _____ Step-4: After that, _____ Step-5: Finally, _____ Step-6: Yummy fruit salad is ready.

Answer: Step-1: First, take a bowl. Step-2: Next, peel and cut an orange. Step-3: Then, peel and cut a mango. Step-4: After that, cut the apples. Step-5: Finally, add the grapes. Step-6: Yummy fruit salad is ready. The steps must be in the right order, or the salad will not be made properly.

1.3 Writing — Exercise 3: Make a recipe card of your own favourite dish.

Question: Make a recipe card of your favourite dish, with its name, ingredients/tools and steps.

Answer: Recipe's name: Vegetable Sandwich. Ingredients / Tools: bread slices, cucumber, tomato, cheese, butter, knife, plate. Steps: 1. Put butter on the bread slices. 2. Put cucumber and tomato slices on the bread. 3. Put a cheese slice on top. 4. Cover it with another bread slice. 5. Cut the sandwich and serve it. The result: a tasty and healthy vegetable sandwich is ready.

1.3 Writing — Exercise 4: Rewrite the sentences using comma, capital letters, full stops and question marks.

Question: 1. ali rehan faisal and sadia were friends 2. they enjoyed reading colouring eating mangoes climbing trees and playing in the corn fields 3. they had fun in school 4. do you like your school 5. what is your friend's name

Answer: 1. Ali, Rehan, Faisal and Sadia were friends. 2. They enjoyed reading, colouring, eating mangoes, climbing trees and playing in the corn fields. 3. They had fun in school. 4. Do you like your school? 5. What is your friend's name? Names begin with capital letters, items in a list are separated by commas, statements end with full stops and questions end

with question marks.

1.3 Writing — Exercise 5: Read the poem "Healthy Food" and tick the food items that you like.

Question: Which food items are named in the poem "Healthy Food"?

Answer: The poem names fruits, vegetables, meat, rice, sugar, corn, wheat, chicken, mutton, beef, fish, eggs, nuts, beans, apples, bananas, grapes, mango, carrots, onions, peas and potato. Healthy foods like these give us strength, protect us from getting ill and save us from taking pills.

1.3 Writing — Exercise 6: Write down the food items that you like for different meals.

Question: Write food items you like for breakfast, lunch and dinner, choosing from the poem.

Answer: Breakfast: boiled egg, bread and milk. Lunch: rice, chicken and vegetables. Dinner: meat, potato and salad. We can also add food items that we like but are not mentioned in the poem, and draw them on the plate for each meal.

1.3 Writing — Exercise 7: Write a short paragraph about your favourite meal time.

Question: Write a short paragraph about your favourite meal time.

Answer: Lunch is my favourite meal time. I enjoy having rice with chicken and a fresh salad. In winter, I drink a hot cup of soup after it. Sometimes, I eat plain yogurt with bread. Eating a healthy lunch keeps me active for the rest of the day. (The book gives breakfast as the example: a boiled egg with bread, and tea or warm milk with bread, jam and butter.)

1.4 Grammar — Exercise 1: Read the text "Friends". Underline the proper

nouns and circle the common nouns.

Question: In the story "Friends", which are the proper nouns and which are the common nouns?

Answer: Proper nouns (special names, written with a capital letter): Shiharu, Japan, Sarah, Turkey, Tokyo, Istanbul, Iqbal, Tahir. Common nouns (general names, not written with a capital letter): girl, boy, city, country. Proper nouns name a particular person or place, while common nouns name people, places, animals and things in general.

1.4 Grammar — Exercise 2: Write the proper nouns and their common nouns from the text.

Question: From the text "Friends", write each proper noun with its common noun.

Answer: Shiharu — girl; Japan — country; Sarah — girl; Turkey — country; Tokyo — city; Istanbul — city; Iqbal — boy; Tahir — boy. Do not repeat the same name twice. The first two examples in the book are: girl (common noun for Shiharu) and Istanbul (proper noun for city).

1.4 Grammar — Exercise 3: Match the words with the matching pronoun.

Question: Match: 1. Pasha and I 2. Jamila 3. Fakhir 4. the big truck 5. Khadija and Maryam — with a. he b. it c. we d. they e. she.

Answer: 1. Pasha and I — c. we. 2. Jamila — e. she. 3. Fakhir — a. he. 4. the big truck — b. it. 5. Khadija and Maryam — d. they. Pronouns are words used in place of nouns: "we" for the speaker and others, "she" for a girl or woman, "he" for a boy or man, "it" for a thing, and "they" for more than one person.

1.4 Grammar — Exercise 4: Pick the pronoun that can replace the underlined words. Use each pronoun only once.

Question: Replace the underlined words with a pronoun: Jamil likes reading books. Jamil and Kamal enjoy playing cricket. Jasmeen will go to church on Sunday. Humaira will go to the shop with Sonia. The match will be played tomorrow evening. Fareed and I will be sitting in the front row. Fareed will go with Jamil's parents. Please give me and my sister some food! The teacher gave Samad good marks.

Answer: Jamil — He. Jamil and Kamal — They. Jasmeen — She. Sonia — Her. The match — It. Fareed and I — We. Jamil's parents — Them. Me and my sister — Us. Samad — Him. Each pronoun from the box (She, Them, It, They, Us, Him, We, Her, He) is used only once.

1.4 Grammar — Exercise 5: Fill in the blanks with a correct word from the box (and, so, because, but).

Question: Saifullah was an old man _____ he had lots of energy. The reason he was healthy was _____ he always ate healthy food and washed his hands. He loved eating chicken _____ bread. One day he was sick _____ he did not go to the fields. He sent his son, Arif, to plough the land.

Answer: Saifullah was an old man but he had lots of energy. The reason he was healthy was because he always ate healthy food and washed his hands. He loved eating chicken and bread. One day he was sick so he did not go to the fields. "But" shows contrast, "because" shows reason, "and" joins things, and "so" shows result.

1.4 Grammar — Exercise 6: Use the 4 linking words to complete sentences about yourself.

Question: 1. I do not like peaches _____ I like _____. 2. I love eating fruits _____ I love eating _____. 3. My mother loves me _____ I _____. 4. Yesterday I did my homework _____ my teacher _____.

Answer: 1. I do not like peaches but I like mangoes. 2. I love eating fruits

and I love eating vegetables. 3. My mother loves me because I help her at home. 4. Yesterday I did my homework so my teacher praised me. Linking words join two ideas: "but" for contrast, "and" for adding, "because" for reason and "so" for result.

1.5 Study Skills — Exercise 1: Make a list of at least 7 related food words.

Question: Make a list of at least 7 related words that come to your mind when you hear the word "food".

Answer: Rice, bread, milk, egg, apple, banana, chicken. These are all food items that we eat every day, and thinking of related words together helps us learn new vocabulary in groups.

1.5 Study Skills — Exercise 2: Write down two food items according to their colour.

Question: Write food items by colour: Red, Green, Brown, Yellow.

Answer: Red: tomato, beetroot, pomegranate, cherries, plums, strawberries. Green: spinach, okra, capsicum, apples, grapes, pistachio. Brown: wheat, potato, sweet potato, ginger, almonds, dried dates. Yellow: banana, pineapple, daal moong, cheese, butter, mango, papaya. You can add more food items of each colour.

1.6 Fun — Hand Wash (role play activity)

Question: Act out the "Hand Wash" role play. What do the germs, the hand and the soap say?

Answer: The germs say, "I will make you sick," and attack the hand. The hand says, "I want soap to wash my hands." The soap says, "Use me to kill the germs." This fun activity teaches us that washing hands with soap kills germs and keeps us safe from sickness.

Unit 2: Safety

2.1 Oral Communication — Dialogue: One Friend Visiting Another Friend (practice orally)

Question: Practise the dialogue "One Friend Visiting Another Friend". What happens in it?

Answer: Ahmed tells Bilal that he was waiting for him yesterday, and Bilal says sorry because he could not come due to some work. Bilal asks if they can go outside to play, but Ahmed's mother is not home so he has to stay at home, and they decide to play ludo inside. Practising this dialogue teaches us polite expressions and how to exchange social courtesies.

2.2 Reading (Stay Safe) — Exercise 1: Count how many times these words are repeated in the text.

Question: In the text "Stay Safe", how many times do these words come: always, parents, do not?

Answer: Always = 5 times. Parents = 7 times. Do not = 6 times. Counting repeated words helps us read the text closely and notice the safety rules that Maryam follows every time.

2.2 Reading — Exercise 2: Find the words which match these meanings.

Question: Find the words for: obey, take, easily seen, anything that can hurt, shout loudly, a person we do not know.

Answer: Obey = follow. Take = accept. Easily seen = prominent. Anything that can hurt = harmful. Shout loudly = yell. A person we do not know = stranger. Using the text to find meanings helps us learn new words from their context.

2.2 Reading — Exercise 3: Fill in the blanks to complete the safety rules that Maryam follows.

Question: 1. Maryam knows her parents' _____, their _____, and her _____. 2. She _____ permission before she goes anywhere. 3. She _____ first with her parents before she _____ anything from others. 4. She _____ a friend with her when she goes to play outside. 5. She says no, gets away and _____ for help. 6. She always tells everything to her _____.

Answer: 1. Maryam knows her parents' names, their telephone numbers, and her address. 2. She takes permission before she goes anywhere. 3. She checks first with her parents before she accepts anything from others. 4. She takes a friend with her when she goes to play outside. 5. She says no, gets away and shouts for help. 6. She always tells everything to her parents.

2.2 Reading — Exercise 4: Write your name, your parents' names and your address.

Question: Write your name, your parents' names and your address.

Answer: My name is _____. My father's name is _____ and my mother's name is _____. My address is _____. Every child should know these three things by heart, because Maryam's safety rules begin with knowing her own name, her parents' names, their telephone numbers and her address.

2.2 Reading — Exercise 5: Select six rules, two from each section, and write them in your notebook.

Question: Write six safety rules, two from each section, beginning each rule with "We should...".

Answer: We should know our parents' names, telephone numbers and

address. We should always take permission from our parents before we go anywhere. We should put a list of important phone numbers on a wall in a prominent place. We should obey our parents and listen to what they say. We should not open the door for or talk to a stranger. We should not play with sharp and pointed things. Writing rules in our own words helps us remember and follow them.

2.2 Reading — Exercise 6: Make a chart of 8-10 important safety rules.

Question: In your group, select 8-10 important safety rules and write them on a colourful chart.

Answer: Our chart shows: 1. Know your parents' names, telephone numbers and address. 2. Take permission before going anywhere. 3. Check with parents before accepting anything from anyone. 4. Take a friend when going out to play. 5. Say no, get away and shout for help if someone scares you. 6. Tell your parents if you feel afraid. 7. Obey your parents. 8. Stay on the left side while walking. 9. Go home straight after school. 10. Do not open the door for a stranger. A colourful chart with pictures helps the whole class learn and remember the rules.

2.3 Writing (Crossing the Road poem) — Exercise 1: Underline the words that rhyme with each other.

Question: In the poem "Crossing the Road", which words rhyme with each other?

Answer: See rhymes with me. Well rhymes with bell. Bit rhymes with hit. Clear rhymes with near. Wide rhymes with side. Rhyming words sound the same at the end, and finding them helps us hear the music of the poem.

2.3 Writing — Exercise 2: List the rhyming words and write 2 more words rhyming with them.

Question: List the rhyming words from the poem and add two more rhyming words for each pair.

Answer: See, me — bee, knee. Well, bell — sell, tell. Bit, hit — sit, fit. Clear, near — dear, fear. Wide, side — ride, tide. Adding new rhyming words shows that we understand the rhyming sound and can build our own word families.

2.3 Writing — Exercise 3: Write a rhyming poem with your partner.

Question: Write a short rhyming poem using 3 or 4 rhyming words.

Answer: I see a tiny bee. It did not bite me. I ran and hurt my knee. (Using see, me, bee, knee.) Another example: A black fat cat, sitting on a mat. A good poem uses rhyming words at the ends of lines and paints a small picture in words.

2.3 Writing — Exercise 4: Re-write the sentences in the correct order.

Question: Put these sentences in the correct order: Then she put the plates, bowls, and spoons in the kitchen. After that, she dried them with the towel. Finally, she arranged all the things on the shelf. First, Amina cleared the table. Next, she washed them with hot water and dish washing soap.

Answer: First, Amina cleared the table. Then, she put the plates, bowls, and spoons in the kitchen. Next, she washed them with hot water and dish washing soap. After that, she dried them with the towel. Finally, she arranged all the things on the shelf. Putting sentences in order tells the story step by step, just as things really happened.

2.3 Writing — Exercise 5: Write five sentences to show what you did in your class today.

Question: Write five sentences about what you did in class today, using

first, next, then, after that and finally.

Answer: First, I reached my class and said good morning to my teacher. Next, I opened my English book and read the lesson. Then, I wrote the new words in my notebook. After that, I answered the teacher's questions. Finally, I packed my bag and went home happily. Using first, next, then, after that and finally shows the order of our day clearly.

2.4 Grammar (Verbs) — Exercise 1: Write the verb that describes each picture.

Question: The verbs are given in jumbled order: open, rest, eat, fly, drink, kick. What does each verb mean?

Answer: Open — to move something so it is no longer closed, like opening a door. Rest — to relax and take a break. Eat — to take food into the mouth. Fly — to move through the air, like a bird. Drink — to take water or milk into the mouth. Kick — to hit something with the foot, like kicking a ball. Verbs are action words: they tell us what people, animals and things do.

2.4 Grammar — Exercise 2: Search the verbs in the "Do's and Don'ts" section and list them.

Question: List the verbs from the Do's and the Don'ts in section 2.2, in the same order as in the text.

Answer: List of Do's: put, obey, remove, stay, scream, go. List of Don'ts: play, open, play, point, stand, listen. Finding verbs in a real text shows us that verbs are used everywhere, in rules, stories and instructions.

2.4 Grammar — Exercise 3: Make sentences using the action verbs from Exercise 1.

Question: Make sentences using the action verbs: open, rest, eat, fly,

drink, kick.

Answer: I open my book to read the lesson. After playing, I rest for a while. We eat lunch together at school. Birds fly high in the sky. I drink a glass of milk every morning. Ali can kick the ball very far. Each sentence uses one action verb as its main verb, which tells what the subject does.

2.4 Grammar — Exercise 4: Make at least 10 sentences using one word from each column. Circle the "be" verb if it is a helping verb, underline it if it is the main verb.

Question: Make sentences from the columns: I / He / She / It / You / We / They — am / is / are — a student / my brother / sleeping / eating food / funny / playing a game / brothers.

Answer: I am a student. He is my brother. She is sleeping. It is funny. You are eating food. We are playing a game. They are brothers. I am playing a game. He is funny. She is eating food. In "I am a student", "am" is the main verb (underlined); in "She is sleeping", "is" is a helping verb (circled) because it helps the main verb "sleeping".

2.4 Grammar — Exercise 5: Write a "be verb" in the blank to complete each sentence.

Question: 1. Jamila and Azra _____ good friends. 2. The teachers _____ looking at the paintings. 3. I _____ tired, so I _____ going to sleep. 4. My cat _____ drinking milk. 5. I _____ fasting today. 6. She _____ a cute baby. 7. The bird _____ flying in the sky.

Answer: 1. Jamila and Azra are good friends. 2. The teachers are looking at the paintings. 3. I am tired, so I am going to sleep. 4. My cat is drinking milk. 5. I am fasting today. 6. She is a cute baby. 7. The bird is flying in the sky. We use "am" with I, "is" with one person or thing, and "are" with more than one.

2.4 Grammar — Exercise 6: Fill in the blanks using the correct form of the verb "be". Write your own name in place of Jamil and your teacher's name in place of Mumtaz.

Question: My name is Jamil. I _____ a student of class IV. My teacher's name is Mumtaz. He/She _____ a good teacher. There _____ many students in my class. Two students _____ absent today. All of us _____ happy that we _____ in a good school.

Answer: My name is Jamil. I am a student of class IV. My teacher's name is Mumtaz. He/She is a good teacher. There are many students in my class. Two students are absent today. All of us are happy that we are in a good school. Replace Jamil with your own name and Mumtaz with your teacher's name when you write it in your notebook.

2.4 Grammar — Exercise 7: Fill in the blanks using "be" as a helping verb.

Question: We _____ planning to have an Eid Milan party. I _____ cleaning my class for the party. Some of my friends _____ helping me. One of my friends _____ making an invitation card for the principal and teachers. Three of my classmates _____ decorating the class. We _____ enjoying ourselves. We _____ going to share our food with each other. One of my friends _____ going to share jokes and we _____ going to play games today. Our teacher _____ helping us so that we can have a great party.

Answer: We are planning to have an Eid Milan party. I am cleaning my class for the party. Some of my friends are helping me. One of my friends is making an invitation card for the principal and teachers. Three of my classmates are decorating the class. We are enjoying ourselves. We are going to share our food with each other. One of my friends is going to share jokes and we are going to play games today. Our teacher is helping us so that we can have a great party. Here "be" is a helping verb because

it helps the main verb ending in "ing".

2.5 Study Skills — Exercise 1: Make a list of at least 7 related words for "School" and "Home".

Question: Make a list of at least 7 related words that come to your mind when you hear "School" and "Home".

Answer: School: teacher, book, classroom, student, bag, pencil, bell. Home: mother, father, bed, kitchen, garden, family, dinner. Grouping related words together helps us remember vocabulary and use it when we speak and write.

2.5 Study Skills — Exercise 2: Put all the words in alphabetical order.

Question: Put these words in alphabetical order: teacher, book, classroom, student, bag, pencil, bell, mother, father, bed, kitchen, garden, family, dinner.

Answer: Bag, bell, book, classroom, dinner, family, father, garden, kitchen, mother, pencil, student, teacher. Alphabetical order means arranging words by their first letters, from A to Z, and it is the order used in dictionaries.

2.6 Fun — Exercise 1: Word Chain Game.

Question: Form a word chain by adding one word that begins with the last letter of the word written before it. The chain begins: LOOK, KEEP, PRAY.

Answer: LOOK ends with K, so KEEP follows. KEEP ends with P, so PRAY follows. PRAY ends with Y, so we can add YELLOW. YELLOW ends with W, so we can add WATCH. WATCH ends with H, so we can add HAPPY. The chain is: LOOK, KEEP, PRAY, YELLOW, WATCH, HAPPY. Each new word must begin with the last letter of the word before it.

2.6 Fun — Exercise 2: Odd Word Out. Circle the word you think is different and write your reason.

Question: 1. boy, female, woman, girl 2. shoe, sandal, socks, boot 3. lake, forest, ocean, river 4. chair, seat, table, sofa 5. rice, fish, chicken, beef.

Answer: 1. Boy — the others (female, woman, girl) are all females. 2. Socks — the others (shoe, sandal, boot) are kinds of shoes worn on the feet outside, while socks are worn inside shoes. 3. Forest — the others (lake, ocean, river) are all bodies of water. 4. Table — the others (chair, seat, sofa) are all things we sit on. 5. Rice — the others (fish, chicken, beef) are all kinds of meat.

Unit 3: Children of Pakistan

3.1 Oral Communication — Dialogue: Winning a Prize (practice orally)

Question: Practise the dialogue "Winning a Prize". What happens in it?

Answer: Hakeem happily tells Ahmed that he won an essay competition and will get a new bicycle as the first prize in about a week. Ahmed asks if he will give him a ride, and Hakeem says sure, because he will not enjoy his gift if he does not share it with his friend. Practising this dialogue teaches us how to express joy and share happiness with friends.

3.2 Reading (Postcards from Friends) — Pre Reading: Write the names of the provinces for the pictures.

Question: The postcards show children wearing regional dresses. Name the four provinces of Pakistan.

Answer: The four provinces are Punjab, Sindh, Balochistan and Khyber Pakhtunkhwa. Each province has its own regional dress, language and culture, and the children in the pictures wear the dresses of their own provinces.

3.2 Reading — Exercise 1: Write the names of all the towns and cities mentioned in the text.

Question: Which towns and cities are mentioned in "Postcards from Friends"?

Answer: Lahore, Mardan, Gwadar, Sukkur and Quetta. Bilal was from Lahore, Sher Ali was from Mardan, Khudadad was from Gwadar and Shankar was from Sukkur; Khudadad also wrote about travelling to Quetta. Finding names in a text is called scanning for specific information.

3.2 Reading — Exercise 2: Write the name of each participant near his home city.

Question: Match the participants with their home cities: Bilal, Sher Ali, Khudadad, Shankar.

Answer: Bilal — Lahore. Sher Ali — Mardan. Khudadad — Gwadar. Shankar — Sukkur. The four students met at the All Pakistan Sports Olympiad, took part in the track races and became good friends.

3.2 Reading — Exercise 3: Write the names of two more cities from each province with the help of the map.

Question: Name two more cities from each province: Sindh, Balochistan, Punjab, Khyber Pakhtunkhwa.

Answer: Sindh: Karachi, Hyderabad. Balochistan: Quetta, Turbat. Punjab: Rawalpindi, Faisalabad. Khyber Pakhtunkhwa: Peshawar, Abbottabad. Using a map to find cities is a study skill that helps us learn the geography of our country.

3.2 Reading — Exercise 4: Write (T) for True and (F) for False statements.

Question: 1. Bilal and Sher Ali took part in the same race. 2. Shankar stood first in the relay race. 3. Shankar won the 400 metre race. 4. The children exchanged their phone numbers. 5. Bilal wrote a letter to Shankar in Lahore. 6. Shankar wrote a postcard to Sher Ali.

Answer: 1. True — Bilal won the 100 metre race and Sher Ali stood second in it. 2. False — Khudadad's team stood first in the relay race, not Shankar. 3. True — Shankar won the 400 metre race and was the star of them all. 4. False — according to the book's answer key (the text says they exchanged their addresses and telephone numbers and promised to keep in touch). 5. False — Bilal received a postcard from Khudadad; he did not write a letter

to Shankar. 6. True — Shankar wrote a postcard to Sher Ali from Sukkur about the Sukkur Barrage.

3.3 Writing — Exercise 1: Write short notes about each participant.

Question: Write short notes about Sher Ali, Khudadad and Shankar. (Bilal is done as an example: Bilal is from Lahore in Punjab. He won the 100 metre race. He received a postcard from Khudadad.)

Answer: Sher Ali is from Mardan in Khyber Pakhtunkhwa. He stood second in the race. He received a postcard from Shankar. Khudadad is from Gwadar in Balochistan. His team stood first in the relay race. He sent a postcard to Bilal. Shankar is from Sukkur in Sindh. He won the 400 metre race. He sent a postcard to Sher Ali. Short notes pick only the important facts from a table or text.

3.3 Writing — Exercise 2: Choose the right statement for each speech bubble in "Sportsmanship".

Question: In the boat race story, what does each speaker say? The statements are: "Ready, steady, go!" "Come on! Fast! Win the race, get ahead." "Help! Help!" "We must help them." "We won the race together." "You are true sportsmen."

Answer: The starter said, "Ready, steady, go!" The people cheering shouted, "Come on! Fast!" When two boats were winning, the people shouted, "Win the race, get ahead." When one boat overturned, the people in it shouted, "Help! Help!" The people in all the other boats said, "We must help them." After helping their friends, they all reached the finishing line together and said, "We won the race together." All the people were very happy and said, "You are true sportsmen." True sportsmanship means helping others even in a competition.

3.3 Writing — Exercise 3: Put the sentences in the right order (how we get bread).

Question: Order these sentences: (a) We buy flour from the shopkeeper. (b) Many people work so that we can eat bread. (c) The factory people buy the wheat and make flour. (d) Finally, we make bread and eat it. (e) The shopkeepers buy the flour from the factory. (f) The farmer works hard and grows the wheat.

Answer: (b) Many people work so that we can eat bread. (f) The farmer works hard and grows the wheat. (c) The factory people buy the wheat and make flour. (e) The shopkeepers buy the flour from the factory. (a) We buy flour from the shopkeeper. (d) Finally, we make bread and eat it. This is the order in which things really happen, from the field to our table.

3.3 Writing — Exercise 4: Write a paragraph using the sentences from Exercise 3 in the right order.

Question: Write a paragraph about how we get bread, using the sentences in order.

Answer: Many people work so that we can eat bread. The farmer works hard and grows the wheat. The factory people buy the wheat and make flour. The shopkeepers buy the flour from the factory. We buy flour from the shopkeeper. Finally, we make bread and eat it. A paragraph joins ordered sentences together so that they read as one smooth piece of writing.

3.3 Writing — Exercise 5: Write five sentences about what your mother does so that your food is ready.

Question: 1. (gets up early) She gets up early in the morning. 2. (cleans rice) _____ 3. (cuts vegetables) _____ 4. (cooks rice) _____ 5. (makes

curry) _____

Answer: 1. She gets up early in the morning. 2. She cleans the rice. 3. She cuts the vegetables. 4. She cooks the rice. 5. She makes curry. Each sentence tells one job our mother does, in the order she does it, so that our food is ready on time.

3.3 Writing — Exercise 6: Write a paragraph using the sentences from Exercise 5.

Question: Write a paragraph about your mother using the sentences from Exercise 5.

Answer: My mother works hard to cook our food. She gets up early in the morning. She cleans the rice and cuts the vegetables. She cooks the rice and makes curry. When I come home, the food is ready and we all eat together happily. A paragraph begins with a topic sentence and then gives details in order.

3.4 Grammar — Exercise 1: Make sentences from the three columns (helping verbs is/are with "ing" verbs).

Question: From column 1 (They, We, You, It, He, The cobbler, The barber, Ahmed and Faraz), column 2 (is, are) and column 3 (eating bananas; going to the mosque for prayers; walking on the street; mending a pair of shoes; going to Larkana to visit their relatives; very busy in cleaning home; reading the Holy Quran; cutting my hair), make complete sentences. Use each part only once.

Answer: They are walking on the street. We are eating bananas. You are going to the mosque for prayers. It is very busy in cleaning home. He is reading the Holy Quran. The cobbler is mending a pair of shoes. The barber is cutting my hair. Ahmed and Faraz are going to Larkana to visit their relatives. "Is" is used with one person or thing, and "are" with more

than one.

3.4 Grammar — Exercise 2: Put Bilquis's morning activities in order, using first, next, then, after breakfast and finally.

Question: Order Bilquis's morning: I get on the bus and go to school. I brush my teeth and make my lunch. I eat breakfast. I get dressed. I get out of bed.

Answer: First, I get out of bed. Next, I get dressed. Then, I eat breakfast. After breakfast, I brush my teeth and make my lunch. Finally, I get on the bus and go to school. Linking words like first, next, then, after breakfast and finally show the order of events in a story.

3.4 Grammar — Exercise 3: Ask your partner what he/she does after coming home from school, and write a paragraph.

Question: Ask your partner: What is the first thing you do when you return from school? What do you do next? After that, what do you do? What do you do finally before going to bed? Then write a paragraph.

Answer: My friend's name is Ali. After returning from school, he first changes his clothes and washes his hands. Next, he eats his lunch. After that, he does his homework. Finally, before going to bed, he reads a storybook and says good night to his parents. Asking questions in order and writing the answers as a paragraph is how we describe someone's routine.

3.4 Grammar — Exercise 4: Write a paragraph about your partner's routine, using "he" or "she" and "s" or "es" with the verb.

Question: Write a paragraph about your partner's routine after school.

Answer: My friend's name is Sara. After returning from school, she first changes her clothes and washes her hands. Then she eats her lunch. After

that, she does her homework. Finally, she watches television for a while and goes to bed early. We use "he" for a boy and "she" for a girl, and we add "s" or "es" to the verb with a single third person, like "she eats" and "she does".

3.4 Grammar — Exercise 5: Ask your mother similar questions and write a paragraph about her daily routine.

Question: Write a paragraph about your mother's daily routine.
Answer: My mother gets up early in the morning. She offers her prayers and prepares breakfast for the family. She helps us get ready for school and sees us off. During the day, she cleans the house, cooks food and looks after the home. In the evening, she helps us with our homework and takes care of everyone. She works hard all day for our family.

3.4 Grammar — Exercise 6: Make three questions (what, where, when) for each sentence.

Question: 1. Sania is baking a cake in the kitchen in the morning. 2. Asad is writing a letter in the class during his lesson. 3. Tahir is reading a book in the library in the afternoon. 4. Maryam is sewing a dress in the living room at night. 5. Zohra is playing a flute in the garden in the evening.
Answer: 1. What is Sania doing? Sania is baking a cake. Where is Sania baking a cake? Sania is baking a cake in the kitchen. When is Sania baking a cake? Sania is baking a cake in the morning. 2. What is Asad doing? Asad is writing a letter. Where is Asad writing a letter? Asad is writing a letter in the class. When is Asad writing a letter? Asad is writing a letter during his lesson. 3. What is Tahir doing? Tahir is reading a book. Where is Tahir reading a book? Tahir is reading a book in the library. When is Tahir reading a book? Tahir is reading a book in the afternoon. 4. What is Maryam doing? Maryam is sewing a dress. Where is Maryam sewing a

dress? Maryam is sewing a dress in the living room. When is Maryam sewing a dress? Maryam is sewing a dress at night. 5. What is Zohra doing? Zohra is playing a flute. Where is Zohra playing a flute? Zohra is playing a flute in the garden. When is Zohra playing a flute? Zohra is playing a flute in the evening.

3.4 Grammar — Exercise 7: Make two questions (who, why) for each sentence.

Question: 1. Sania is baking a cake because it is her sister's birthday. 2. Asad is writing a letter because he has to finish his classwork. 3. Tahir is reading a book because he has to do homework. 4. Maryam is sewing a dress because she wants to wear it at a wedding. 5. Zohra is playing a flute because she is learning to play it.

Answer: 1. Who is baking a cake? Sania is baking a cake. Why is Sania baking a cake? Sania is baking a cake because it is her sister's birthday. 2. Who is writing a letter? Asad is writing a letter. Why is Asad writing a letter? Asad is writing a letter because he has to finish his classwork. 3. Who is reading a book? Tahir is reading a book. Why is Tahir reading a book? Tahir is reading a book because he has to do homework. 4. Who is sewing a dress? Maryam is sewing a dress. Why is Maryam sewing a dress? Maryam is sewing a dress because she wants to wear it at a wedding. 5. Who is playing a flute? Zohra is playing a flute. Why is Zohra playing a flute? Zohra is playing a flute because she is learning to play it.

3.4 Grammar — Exercise 8: Write down the questions for the given answers. Each question begins with a different "wh" word.

Question: Answers: 1. I am doing my homework. 2. My book is in my bag. 3. I am going to Lahore tomorrow. 4. I am laughing because I am happy. 5. I am eating a mango. 6. My best friend is my mother.

Answer: 1. What are you doing? (done as an example in the book). 2. Where is your book? 3. When are you going to Lahore? 4. Why are you laughing? 5. What are you eating? 6. Who is your best friend? Each question uses a different "wh" word: what, where, when, why and who.

3.5 Study Skills — Exercise 1: Make a list of at least 7 related words for "city" and "village".

Question: Make a list of at least 7 related words that come to your mind when you hear "city" and "village".

Answer: City: buildings, roads, cars, shops, schools, hospitals, traffic. Village: fields, farms, animals, wells, huts, trees, farmers. Grouping words by topic helps us learn and remember new vocabulary.

3.5 Study Skills — Exercise 2: Put these words in alphabetical order.

Question: Put these words in alphabetical order: buildings, roads, cars, shops, schools, hospitals, traffic, fields, farms, animals, wells, huts, trees, farmers.

Answer: Animals, buildings, cars, farms, farmers, fields, hospitals, huts, roads, schools, shops, traffic, trees, wells. Words are arranged by their first letter, and when first letters are the same, by the second letter, as in farms before farmers.

3.5 Study Skills — Exercise 3: Match the ordinal numbers in words with the numbers in figures.

Question: Match: fifth, second, sixth, first, third, ninth, fourth, seventh, tenth, eighth — with 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th.

Answer: Fifth — 5th. Second — 2nd. Sixth — 6th. First — 1st. Third — 3rd. Ninth — 9th. Fourth — 4th. Seventh — 7th. Tenth — 10th. Eighth — 8th. Ordinal numbers tell us the position of something in a line, like first,

second and third.

3.5 Study Skills — Exercise 4: Write the ordinal number of the grey stars.

Question: The book shows grey stars in a row and asks for their ordinal numbers. The first one is done as an example: 7th — Seventh. How do we answer this exercise?

Answer: Count the stars from the left and write the position of each grey star in words and figures, like 7th — Seventh. For example, if the grey stars are the 2nd, 5th and 9th stars in the row, the answer is: 2nd — Second, 5th — Fifth, 9th — Ninth. The exact grey stars must be read from the pictures in the book, because this exercise is picture-based.

3.6 Fun — Exercise 1: Spot the differences between the two pictures.

Question: There are 4 differences between the two pictures. How do we find them?

Answer: Look at the two pictures side by side with your partner and say what is different in each one. There are 4 differences to find, for example a missing object, a different colour, a changed shape or an extra thing in one picture. The exact differences must be read from the pictures in the book, because this exercise is picture-based.

3.6 Fun — Exercise 2: Play the game "Teacher Says".

Question: How do we play "Teacher Says"?

Answer: When the teacher says the name of an animal, jump forward. When the teacher says a flower, clap your hands. When the teacher says a fruit, jump backwards. When the teacher says a colour, stamp your feet. When the teacher says a dress, click your fingers. But you only perform the action when the teacher says "Teacher says" first. This game trains listening and quick action.

Unit 4: Land Reforms

4.1 Oral Communication — Dialogue: Buying Shoes (practice orally)

Question: Practise the dialogue "Buying Shoes". What happens in it?

Answer: Ayesha asks the shopkeeper uncle to show the brown shoes, but Bano thinks the size is too big. Ayesha suggests the red shoes, but Bano thinks the colour is too bright. At last, Bano likes the grey pair and Ayesha says they will buy these shoes. Practising this dialogue teaches us how to express opinion and politely agree or disagree while shopping.

4.2 Reading (Land Reforms) — Exercise 1: Circle the correct answer.

Question: a. Box 1 tells us about... i) rivers ii) valleys iii) mountains. b. Box 2 tells us about... i) rivers ii) lakes iii) oceans. c. Box 3 tells us about the... i) use of rivers ii) use of seas iii) use of mountains. d. Box 4 tells us about... i) trees and plants ii) seas and oceans iii) mountains and hills. e. Box 5 tells us about... i) sea ports ii) air ports iii) bus stops.

Answer: a. iii) mountains — Box 1 describes mountains and hills. b. i) rivers — Box 2 describes rivers and streams. c. i) use of rivers — Box 3 tells us how rivers give us water, fish and transport. d. ii) seas and oceans — Box 4 describes the mouth of the river, seas and oceans. e. i) sea ports — Box 5 describes the seaport and Pakistan's three main ports.

4.2 Reading — Exercise 2: Who am I? Read Boxes 1 and 2 and find out what these are.

Question: 1. I am way above the ground, I am steeper than a hill. 2. I am in Pakistan and I am one of the highest peaks. 3. I flow fast on the land and I am larger than a stream. 4. When I join with others I form a river. 5. I

am a river but I am in Egypt. 6. I am a river but I am in Pakistan.

Answer: 1. Mountain. 2. K-2. 3. River. 4. Stream. 5. River Nile. 6. River Indus. The clues come from Boxes 1 and 2: a mountain is higher and steeper than a hill, K-2 is in Pakistan, a river is broader than a stream, small rivers join to make a large river, the Nile is in Egypt and the Indus is in Pakistan.

4.2 Reading — Exercise 3: Match column A with column B.

Question: Match: 1. Mountains and hills are 2. A river gives us 3. People use 4. When a river overflows 5. The mouth of the river is 6. The seas and oceans 7. At the sea port — with a. water for drinking, cooking and washing b. rowing boats and ferries to cross the river c. it can cause flood d. where it slowly falls into the sea e. have salty water f. high above the ground g. the water is deep.

Answer: 1 — f: Mountains and hills are high above the ground. 2 — a: A river gives us water for drinking, cooking and washing. 3 — b: People use rowing boats and ferries to cross the river. 4 — c: When a river overflows, it can cause flood. 5 — d: The mouth of the river is where it slowly falls into the sea. 6 — e: The seas and oceans have salty water. 7 — g: At the sea port, the water is deep.

4.2 Reading — Exercise 4: Write the matched sentences from Exercise 3 in complete sentences in your notebook.

Question: Write the seven matched sentences from Exercise 3 as complete sentences.

Answer: Mountains and hills are high above the ground. A river gives us water for drinking, cooking and washing. People use rowing boats and ferries to cross the river. When a river overflows, it can cause flood. The mouth of the river is where it slowly falls into the sea. The seas and

oceans have salty water. At the sea port, the water is deep. Writing matched pairs as full sentences helps us use the facts of the lesson in our own writing.

4.2 Reading — Exercise 5: Complete the table with facts from the text.

Question: The highest peak of Pakistan _____. The largest port of Pakistan _____. The largest river of Pakistan _____. The sea near Pakistan _____.

Answer: The highest peak of Pakistan is K-2. The largest port of Pakistan is Karachi Port. The largest river of Pakistan is River Indus. The sea near Pakistan is the Arabian Sea. These four facts come from Boxes 1, 2, 4 and 5 of the reading text.

4.2 Reading — Exercise 6: Fill in the blanks by reading each part of the text.

Question: 1. The mountains and _____ are high above the ground. A _____ is higher and steeper than a _____. The high mountains have _____ on their peaks. The highest peaks in the world are _____ and _____. 2. A _____ is a bit broader than a _____. _____ is the largest river in Pakistan. The river _____ is the largest river in Egypt. 3. A river has a lot of _____ in it. People _____ along the bank of river. They use _____ boats and _____ to cross the river. 4. The River Indus falls into the _____ Sea. 5. Pakistan has three main ports: _____, _____ and _____.

Answer: 1. The mountains and hills are high above the ground. A mountain is higher and steeper than a hill. The high mountains have snow on their peaks. The highest peaks in the world are Mount Everest and K-2. 2. A river is a bit broader than a stream. River Indus is the largest river in Pakistan. The river Nile is the largest river in Egypt. 3. A river has a lot of fishes in it. People fish along the bank of river. They use rowing boats and ferries to cross the river. 4. The River Indus falls into the Arabian Sea. 5.

Pakistan has three main ports: Karachi Port, Port Qasim and Gwadar Port.

4.3 Writing — Exercise 1: Change the statements into their short forms (contractions) and write the complete sentences in the speech bubbles.

Question: Write the short forms: 1. We have finished our food. (done as an example: We've finished our food.) 2. I have seen you before. 3. There is a river. 4. I do not know about China. 5. She did not do this. 6. I am doing my home work. 7. This is not the book I want. 8. We are not going to the shop.

Answer: 2. I've seen you before. 3. There's a river. 4. I don't know about China. 5. She didn't do this. 6. I'm doing my home work. 7. This isn't the book I want. 8. We aren't going to the shop. A contraction joins two words into one short form with an apostrophe, like "we have" becomes "we've".

4.3 Writing — Exercise 2: Read the dialogues and complete the title "A Trip to the _____".

Question: The exercise asks you to complete the title "A Trip to the _____" from the dialogues given in the book. How do we answer it?

Answer: Read the dialogues in the book and find the name of the place the children visit, then write that place in the title, for example "A Trip to the Zoo" if the dialogues are about a zoo trip. The exact place word must be read from the dialogue pictures in the book, because this exercise is picture-based.

4.3 Writing — Exercise 3: Write the dialogues in the speech bubbles. One dialogue each of Anum and Aleeza is missing. Guess what it could be.

Question: Anum said, "Hi, Aleeza. How was your trip to the zoo?" Aleeza said, "It was a happy and exciting trip." Anum said, "Really? What animals did you see?" Aleeza said, "I saw five big brown monkeys. They were big and fat." Anum said, "_____?" Aleeza said, "_____."

Answer: Anum said, "Did you see anything else there?" Aleeza said, "Yes, I also saw lions, elephants and colourful birds. I enjoyed the trip very much." The missing dialogues must fit the zoo trip: Anum asks a question about the trip, and Aleeza answers it with what she saw or how she felt.

4.3 Writing — Exercise 4: Read "The Mouse and the Lion" and fill the speech bubbles with the correct dialogue numbers.

Question: The lion's dialogues are: 1. Why should I let you go? 2. You have disturbed my sleep. 3. How can a small mouse help a big lion? 4. Now I'm going to eat you. The mouse's dialogues are: 5. Please don't eat me. Please let me go. 6. I don't know but I promise I'll help you. 7. I'm sorry. I didn't see you. 8. I may be able to help you some time. In the bubbles a) to h), which number goes where? Two examples are given: a) 2 and b) 4.

Answer: a) 2 — "You have disturbed my sleep." b) 4 — "Now I'm going to eat you." c) 1 — "Why should I let you go?" d) 3 — "How can a small mouse help a big lion?" e) 7 — "I'm sorry. I didn't see you." f) 5 — "Please don't eat me. Please let me go." g) 8 — "I may be able to help you some time." h) 6 — "I don't know but I promise I'll help you." The story teaches us that even a small friend can help a big friend one day.

4.3 Writing — Exercise 5: Write the complete story "The Mouse and the Lion" in your notebook.

Question: Write the complete story of the mouse and the lion in your notebook.

Answer: One day, a mouse was playing in the jungle. A lion was sleeping there. The mouse did not see it and ran over the lion's foot. The lion woke up and caught the mouse. The mouse said sorry and begged the lion not to eat him, promising to help him some time. The lion laughed but let the mouse go. A few days later, the lion was caught in a hunter's trap. The

little mouse cut the rope with his sharp teeth and the lion was free. "Thank you, little mouse, for saving my life," said the lion. The mouse said, "You saved my life, so I was able to save your life." Adding phrases like "the lion said" and "the mouse said" makes the story complete.

4.4 Grammar (Adjectives) — Exercise 1: Complete the table with adjectives of size and colour from the dialogue "In an Art Classroom".

Question: From the dialogue, complete the table: birds, tree, river, sea, mountains, streams — with size and colour.

Answer: Birds — tiny, yellow. Tree — tall, green. River — large, blue. Sea — calm, blue. Mountains — huge, snow-covered. Streams — small, white. Adjectives are words that describe a noun, telling us about its size, colour and other qualities, like "a long shirt" or "a long, white shirt".

4.4 Grammar — Exercise 2: Describe each other's bag, pencil, house and hair using size and colour adjectives.

Question: Work in pairs and describe your bag, pencil, house and hair with size and colour adjectives.

Answer: My bag is big and red. My pencil is small and yellow. My house is large and white. My hair is short and black. Describing things with size and colour adjectives makes our speaking and writing clear and interesting.

4.4 Grammar — Exercise 3: Write 8 sentences describing your bag, pencil, house and hair and your friend's bag, pencil, house and hair.

Question: Write 8 sentences: 4 about your own things and 4 about your friend's things.

Answer: I have a big red bag. I have a small yellow pencil. My house is large and white. My hair is short and black. My friend has a small blue bag. My friend has a long green pencil. My friend's house is tall and brown. My

friend's hair is long and brown. Begin like this: "I have _____. My friend has _____."

4.4 Grammar — Exercise 4: Complete the sentences with the positive, comparative and superlative degrees.

Question: Complete the sets: (1) Ahmed is a tall boy. Ahmed is taller than Shiraz. Sameer is the tallest boy. (2) The apple tree is _____. The apple tree is _____ than the guava tree. The mango tree is the _____. (3) This bulb is _____. The moon is _____ than a bulb. The sun is the _____. (4) This is a _____ black duck. This white duck is _____ than the black duck. The pink duck is the _____ duck. (5) A kite is flying _____. A bird is flying _____ than the kite. An airplane is flying at the _____ level. (6) Asiya has _____ black hair. Asma has _____ hair than Asiya. Anum has the _____ hair.

Answer: (2) The apple tree is big. The apple tree is bigger than the guava tree. The mango tree is the biggest. (3) This bulb is bright. The moon is brighter than a bulb. The sun is the brightest. (4) This is a small black duck. This white duck is smaller than the black duck. The pink duck is the smallest duck. (5) A kite is flying high. A bird is flying higher than the kite. An airplane is flying at the highest level. (6) Asiya has long black hair. Asma has longer hair than Asiya. Anum has the longest hair. The three degrees are: positive (tall), comparative (taller) and superlative (tallest).

4.4 Grammar — Exercise 5: Describe three of your class fellows by height, shoe size and age in comparison.

Question: Describe three class fellows by height (tall/short), shoe size (small/large) and age (young/old) in comparison.

Answer: Ahmed is tall, Bilal is taller than Ahmed, and Usman is the tallest of the three. Ahmed's shoes are small, Bilal's shoes are larger than

Ahmed's, and Usman's shoes are the largest. Ahmed is young, Bilal is younger than Ahmed, and Usman is the youngest. Ask: Who is tall? Who is taller? Who is the tallest? Who is young? Who is younger? Who is the youngest?

4.5 Study Skills — Exercise 1: Make a list of at least 7 related words for "Sky" and "Land".

Question: Make a list of at least 7 related words that come to your mind when you hear "Sky" and "Land".

Answer: Sky: sun, moon, stars, clouds, birds, rainbow, aeroplane. Land: fields, mountains, rivers, roads, houses, trees, farms. Grouping words by topic helps us build vocabulary for speaking and writing.

4.5 Study Skills — Exercise 2: Put all the words in alphabetical order.

Question: Put these words in alphabetical order: sun, moon, stars, clouds, birds, rainbow, aeroplane, fields, mountains, rivers, roads, houses, trees, farms.

Answer: Aeroplane, birds, clouds, farms, fields, houses, moon, mountains, rainbow, rivers, roads, stars, sun, trees. Alphabetical order arranges words from A to Z by their first letters.

4.5 Study Skills — Exercise 3: Make maximum meaningful sentences in groups using as many of the given words as you can.

Question: In groups of five, make as many meaningful sentences as you can in 10 minutes from these word sets: (1) a, it, the, she, is, we, of, house, car, fast, slow, blue, went, live, happy, up, to, he, sister, will, no. (2) yesterday, who, go, food, see, run, small, am, I, rabbit, movie, meet, but, think, can, cycle. (3) fly, because, so, there, on, should, under, here, be, my, red, eat, not, today, tree, school, why. (4) really, please, yes, quiet,

seen, a, park, peacock, be, you, have, my.

Answer: (1) She is happy. We went to the house. He will live in the blue house. She is my sister. The car is fast. (2) I saw a small rabbit yesterday. I can cycle to school. Who will go to the movie? I think we should meet today. (3) Birds fly over the tree. I eat my food under the tree. Why should we be quiet in school? My bag is red. (4) Yes, please be quiet in the park. I have seen a peacock. You are really my friend. The group that writes the maximum meaningful sentences correctly is the winner.

4.6 Fun — Exercise 1: Fun with adjectives (Riddles).

Question: Solve the riddles: 1. I can see something hard and it has four legs. 2. I see something in the room. It has long three arms. It goes round and round. 3. I can see something like round with a white plate. It has 2 spoons on it. 4. I can see something like a small room but it has 100 soldiers wearing the same coloured helmet in it.

Answer: 1. A table (it is hard and has four legs). 2. A fan (it has three long blades or arms and goes round and round). 3. A clock (it is round with a white face like a plate and has two hands like spoons). 4. A matchbox (it is like a small room full of matches, and the matches look like soldiers wearing the same coloured helmets). Riddles are a fun way to use adjectives to describe things.

4.6 Fun — Exercise 2: Think, Play and Say! (Yes, it is. No, it isn't.)

Question: Play the game: Student A says, "I can see in front of me something beginning with 'b'." The others guess. How is it played?

Answer: Student A thinks of something in front of them beginning with a letter, for example "b", and says, "I can see in front of me something beginning with 'b'." The others guess: "Is it a boy?" "Is it a bulb?" Student A answers, "Yes, it is," or "No, it isn't," until someone guesses correctly.

This game practises the alphabet, vocabulary and yes/no answers.

Unit 5: Taking Care of the Family

5.1 Oral Communication — Dialogue: In the Classroom (practice orally)

Question: Practise the dialogue "In the Classroom". What happens in it?

Answer: Gulnaz asks, "May I come in, please?" and the teacher says, "Yes, you may." Mahnoor asks, "May I go to the washroom?" and the teacher says, "No. Wait till the bell rings." Munira asks, "Teacher, can I also go when the bell rings?" and the teacher says, "Yes, you can." Practising this dialogue teaches us how to seek permission politely with "may" and "can".

5.2 Reading (My Family) — Pre Reading: Fill in the blanks to state your daily routine.

Question: Fill in the blanks: 1. I get up at _____. 2. I go to school at _____. 3. I have _____ after coming back from school. 4. I _____ before going to bed. 5. At night I _____.

Answer: 1. I get up at 6 o'clock. 2. I go to school at 7 o'clock. 3. I have lunch after coming back from school. 4. I brush my teeth before going to bed. 5. At night I read a storybook. Every child's routine is different, so fill in the blanks with your own true times and habits.

5.2 Reading — Exercise 1: Read the text to find out the following.

Question: 1. Number of people in Husna's family _____. 2. Number of females in Husna's family _____. 3. Number of males in Husna's family _____.

Answer: 1. Number of people in Husna's family: 7 — mother, father, Husna, Hammad, Fatima, Rafay and grandmother. 2. Number of females: 4 — mother, Husna, Fatima and grandmother. 3. Number of males: 3 —

father, Hammad and Rafay. Counting the family members from the text gives us 7 people in all.

5.2 Reading — Exercise 2: Circle the correct answer.

Question: 1. Mother gets up (early in the morning, late in the morning, in the evening). 2. She prepares breakfast (at night, in the afternoon, after morning prayers). 3. Father gets ready to drop the children to school and then goes to _____. 4. Mother is a good (gardener, writer, cook). 5. Grandmother is (weak and old, strong and healthy, wise and wealthy). 6. Mother cooks lunch at (1 o'clock, 5 o'clock, 11 o'clock). 7. Children do their homework with (grandmother, father, mother). 8. The family goes to bed (at 6 o'clock, early, late at night).

Answer: 1. Early in the morning. 2. After morning prayers. 3. Work — father drops the children to school and then goes to work. 4. Cook. 5. Weak and old. 6. 11 o'clock. 7. Mother. 8. Early. All these answers come from the reading text "My Family", which describes Husna's mother's busy day.

5.2 Reading — Exercise 3: List 5 important duties done by Husna's mother.

Question: List 5 important duties done by Husna's mother.

Answer: 1. Prepares breakfast. 2. Gives Rafay a bath. 3. Waters the plants. 4. Cooks tasty food. 5. Helps children do their homework. Husna's mother also prepares lunch, serves tea and rusks to grandmother, and looks after the whole family all day.

5.2 Reading — Exercise 4: Answer the following questions.

Question: 1. Why do they sleep early? 2. Who drops the children to school? 3. When does mother allow the children to go out to play? 4. What does grandmother like for breakfast? 5. What does the whole family do after

father returns from work? 6. What does Parro like to eat?

Answer: 1. Husna's family sleeps early because they all have to get up early in the morning. 2. Husna's father drops the children to school. 3. Mother allows the children to go out to play in the evening, after they have done their homework. 4. Grandmother likes tea and rusks for breakfast. 5. After father's return from work, they all sit down to have dinner and happily share their activities of the day. 6. Parro likes to eat green chillies.

5.2 Reading — Exercise 5: Write down 3 things that your mother does every day.

Question: Write down 3 things that your mother does every day.

Answer: 1. My mother prepares breakfast for the family. 2. My mother cleans the house and washes the clothes. 3. My mother cooks tasty food and helps me with my homework. Every mother works hard all day to take care of her family, just like Husna's mother.

5.3 Writing — Exercise 1: Make an invitation card for the Eid Milan party.

Question: Make an invitation card showing venue, time, date and your class. Use the example: Dear Maha, you are invited to my doll's wedding. Date: 25-10-2017. Time: 5:30pm-7:00pm. Venue: My House. From: Zara.

Answer: Dear Ali, You are invited to our Eid Milan party. Date: 12-04-2018. Time: 4:00pm-6:00pm. Venue: Class IV, School Hall. From: Sara. An invitation card must show who is invited, the purpose, the date, the time, the venue and who sends it, and it can be made colourful with drawings.

5.3 Writing — Exercise 2: Write a short reply to thank the sender for inviting you.

Question: Write a short reply to an invitation, thanking the sender.

Answer: Hello Zara, I am so excited to hear about your doll's wedding. I

will come to the wedding. I will bring my dolls and "mithai" for everyone. Thank you and see you soon. Love, Maha. A reply to an invitation says thanks, says whether we will come, and ends with love and our name.

5.3 Writing — Exercise 3: Write a note to your cousin to invite him/her to the Roza Kushai of your little brother/sister.

Question: Your little brother is observing his first fast (roza). Write a note to your cousin to invite him to the Roza Kushai.

Answer: Dear Ahmed, I am very happy to tell you that my little brother Ali is observing his first fast tomorrow. We are having a Roza Kushai at our house in the evening. You are invited to join us and share our happiness. Please come on time. Love, Sara. Do not forget to draw a picture on the invitation note.

5.3 Writing — Exercise 4: Write your cousin's reply to the Roza Kushai invitation.

Question: Write your cousin's reply to the Roza Kushai invitation.

Answer: Dear Sara, Thank you so much for inviting me to Ali's Roza Kushai. I am very happy for Ali and I will surely come in the evening. I will bring a gift for him. See you soon. Love, Ahmed. A good reply thanks the sender, accepts the invitation and promises to come.

5.4 Grammar — Exercise 1: Put the verbs in the correct form (past progressive).

Question: 1. When I phoned my friends, they (play) were playing monopoly. (done as an example.) 2. Yesterday at six I (prepare) _____ dinner. 3. The kids (play) _____ in the garden. 4. I (practice) _____ for the qirat competition when you came home. 5. We (cycle) _____ the whole day yesterday. 6. While Danial (work) _____ in his room, his friends (swim)

_____ in the pool. 7. I told them that I (tell) _____ the truth but they did not listen to me. 8. Most of the time we (sit) _____ in the park.

Answer: 2. Yesterday at six I was preparing dinner. 3. The kids were playing in the garden. 4. I was practising for the qirat competition when you came home. 5. We were cycling the whole day yesterday. 6. While Danial was working in his room, his friends were swimming in the pool. 7. I told them that I was telling the truth but they did not listen to me. 8. Most of the time we were sitting in the park. Past progressive uses "was" or "were" with a verb ending in "ing" for actions going on in the past.

5.4 Grammar — Exercise 2: Choose words from the list to complete the dialogue (past progressive).

Question: Complete with: watch, play, read, clean, enjoy, cook, have, work, wash, try. Marvi: What were all of you doing yesterday? Rano: I _____ the house. Marvi: I _____ the clothes in the morning. Rano: My mother _____ the food. Marvi: My mother _____ in the fields. Rano: And my sisters _____ with the baby. Marvi: My sister and I _____ books in the afternoon. Rano: My mother and I _____ to finish the work so that we could visit grandmother. Marvi: We _____ television in the evening. Rano: It seems you _____ a good time. Marvi: Yes, we _____ ourselves.

Answer: Rano: I was cleaning the house. Marvi: I was washing the clothes in the morning. Rano: My mother was cooking the food. Marvi: My mother was working in the fields. Rano: And my sisters were playing with the baby. Marvi: My sister and I were reading books in the afternoon. Rano: My mother and I were trying to finish the work so that we could visit grandmother. Marvi: We were watching television in the evening. Rano: It seems you were having a good time. Marvi: Yes, we were enjoying ourselves. We use "was" with one person and "were" with more than one.

5.4 Grammar — Exercise 3: Put the words in the correct order, using capital letters and a full stop or question mark.

Question: 1. Arabic cannot speak I. 2. you me time can please tell the. 3. foot ball can I play. 4. she but can can't dance she sing. 5. swim they can 100 metres. 6. you cannot with I come.

Answer: 1. I cannot speak Arabic. 2. Can you please tell me the time? 3. Can I play football? 4. She can't dance but she can sing. (Or: She can't sing but she can dance.) 5. Can they swim 100 metres? 6. I cannot come with you. Sentences begin with a capital letter, and questions end with a question mark while statements end with a full stop.

5.4 Grammar — Exercise 4: Read about Jaweria. Tick what Jaweria and you can do, and cross what you cannot do.

Question: Jaweria says: "I can read books and I can play ludo, but I can't play carum board. I can't write songs but I can sing. I can't swim or ride a horse but I can feed the goats and milk the cow." Tick or cross for Jaweria and for yourself: write a song, play ludo, play carum board, read books, ride a horse, sing, swim, feed the goats.

Answer: Jaweria: write a song — cross. Play ludo — tick. Play carum board — cross. Read books — tick. Ride a horse — cross. Sing — tick. Swim — cross. Feed the goats — tick. For yourself, tick what you can do and cross what you cannot do, for example: I can read books and play ludo, but I can't swim or ride a horse.

5.4 Grammar — Exercise 5: Write sentences about what you can or can't do.

Question: Write 5 sentences about what you can or can't do, like: "I can play ludo, but I can't play carum board."

Answer: 1. I can read books, but I can't write songs. 2. I can play cricket, but I can't play hockey. 3. I can sing a song, but I can't dance well. 4. I can ride a bicycle, but I can't swim. 5. I can speak English, but I can't speak Arabic. "Can" shows ability and "can't" shows that we are not able to do something.

5.4 Grammar — Exercise 6: Complete the sentences with "can" or "can't" (Abdullah and Zoha's magic pen).

Question: Abdullah: (1) _____ you write with it? Zoha: Yes, I (2) _____. Abdullah: Wow! I cannot see what you have written! Zoha: (3) _____ you see now? Abdullah: Yes, I (4) _____, but I (5) _____ understand how it works? Zoha: Oh! I (6) _____ tell you. When we put light on the writing it will glow and you (7) _____ see it. Abdullah: (8) _____ I also try? Zoha: Sure you (9) _____, but you (10) _____ keep it forever!

Answer: (1) Can. (2) can. (3) Can. (4) can. (5) can't. (6) can. (7) can. (8) Can. (9) can. (10) can't. So: "Can you write with it? Yes, I can. Can you see now? Yes, I can, but I can't understand how it works? Oh! I can tell you. When we put light on the writing it will glow and you can see it. Can I also try? Sure you can, but you can't keep it forever!" Questions with "can" begin with "Can" and a capital letter.

5.4 Grammar — Exercise 7: Fill in the blanks using "will" with the given verb (future tense).

Question: 1. They (buy) _____ a new house next year. 2. You (get) _____ a lot of money on Eid day. 3. My mother (cook) _____ my favourite dish tomorrow. 4. The teacher (take) _____ us to the park on Saturday. 5. The train (leave) _____ at 8 o'clock.

Answer: 1. They will buy a new house next year. 2. You will get a lot of money on Eid day. 3. My mother will cook my favourite dish tomorrow. 4.

The teacher will take us to the park on Saturday. 5. The train will leave at 8 o'clock. We use "will" with the verb to talk about the future.

5.4 Grammar — Exercise 8: Write complete sentences using "will" about Saeed's future (the palmist's predictions).

Question: Saeed, 18 years old, asked an old palmist about his future. Complete the sentences: 1. You (be) very happy. (done as an example: You will be very happy.) 2. You (get) a lot of money. 3. You (buy) a beautiful house. 4. Your friends (be) jealous of you. 5. You (meet) a beautiful girl. 6. You (marry) her. 7. You (travel) around the world. 8. People (serve) you. 9. They (not refuse) you anything. 10. But all this (happen) only when you are 70 years old!

Answer: 2. You will get a lot of money. 3. You will buy a beautiful house. 4. Your friends will be jealous of you. 5. You will meet a beautiful girl. 6. You will marry her. 7. You will travel around the world. 8. People will serve you. 9. They will not refuse you anything. 10. But all this will happen only when you are 70 years old! The joke is that Saeed must wait until he is 70 years old for all these good things.

5.4 Grammar — Exercise 9: Write 5 sentences about what you will do: tomorrow, next week, next month, next year, after 5 years.

Question: Write 5 sentences about your future: 1. tomorrow 2. next week 3. next month 4. next year 5. after 5 years.

Answer: 1. Tomorrow, I will go to school and learn a new lesson. 2. Next week, I will visit my grandmother's house. 3. Next month, I will take part in the school sports day. 4. Next year, I will be in class V. 5. After 5 years, I will be in class IX and I will work hard to become a teacher. "Will" with the verb tells us about plans for the future.

5.5 Study Skills — Exercise 1: Make a list of at least 7 related words for "Sky" and "Land".

Question: Make a list of at least 7 related words that come to your mind when you hear "Sky" and "Land".

Answer: Sky: sun, moon, stars, clouds, birds, rainbow, aeroplane. Land: fields, mountains, rivers, roads, houses, trees, farms. Grouping words by topic helps us build vocabulary for speaking and writing.

5.5 Study Skills — Exercise 2: Put all the words in alphabetical order.

Question: Put these words in alphabetical order: sun, moon, stars, clouds, birds, rainbow, aeroplane, fields, mountains, rivers, roads, houses, trees, farms.

Answer: Aeroplane, birds, clouds, farms, fields, houses, moon, mountains, rainbow, rivers, roads, stars, sun, trees. Alphabetical order arranges words from A to Z by their first letters.

5.5 Study Skills — Exercise 3: Sing the poem "Good Deeds" on the tune of "Row, row, row your boat".

Question: Sing the poem "Good Deeds" with actions. What does it teach us?

Answer: The poem teaches us good deeds: help others around, smile all day, plant more trees, and listen and obey. "Help, help, help around, helping shows you care. Smile, smile, smile all day, a smile makes you the best. Plant, plant, plant more trees, grow them all around. Listen, listen, listen now, remember all these things." Singing with actions helps us remember the poem and its message.

5.5 Study Skills — Exercise 4: Read the poem "Good Deeds" and list the rhyming words. Add one more of your own.

Question: List the rhyming words from "Good Deeds" and add one more word to each set. The last one is done as an example: 4. things, brings, flings.

Answer: 1. Care, pair — share, fare, dare, mare, bare, rare, air, fair, hair. 2. Best, rest — test, nest, pest, vest. 3. Around, ground — found, bound, drowned, hound, mound, pound, round, sound. 4. Things, brings — flings, crings, kings, rings, sings, strings, springs, wrings. Rhyming words end with the same sound, and adding more words to each family builds our vocabulary.

5.6 Fun — Exercise 1: Masoom Monkey's Mystery Question. Decode the question.

Question: Decode: "AEHV STP XVVO RS CEOEOE?" Tips: Change A's with H, E's with A, H's with V, V's with E, S's with Y, T's with O, P's with U, X's with S, O's with N, R's with M, C's with B.

Answer: A=H, E=A, H=V, V=E gives "HAVE". S=Y, T=O, P=U gives "YOU". X=S, V=E, V=E, O=N gives "SEEN". R=M, S=Y gives "MY". C=B, E=A, O=N, E=A, O=N, E=A gives "BANANA". So Masoom Monkey is asking, "HAVE YOU SEEN MY BANANA?" Decoding letter by letter is a fun way to practise the alphabet.

Extra Reading

Extra Reading — Story: "Money is not everything" and Poem: "Safety First" (read only, no written exercises)

Question: Read the extra story "Money is not everything" and the poem "Safety First". What do they teach us?

Answer: The story teaches us that money is not everything: Sajid Ali was poor and sad, but the wise old man showed him that his hands and eyes are worth more than gold, and that health, strength and hard work matter more than money. The poem "Safety First" repeats the road-safety rules: look up and down the street, listen for a horn or bell, wait until the road is clear, and then run across safely. There are no written exercises in the Extra Reading section; it is for reading and enjoyment.
